

## NUGEN® NR Disinfectant Wipes

« A new generation of quat-containing, disinfectant wipes that set the standard for convenience and ease of use in institutional markets: Cleans and disinfects food contact surfaces streak-free without a post water rinse. »

### NUGEN® NR Disinfectant Wipes Features

- No-rinse Quat-containing disinfectant wipe formula
- No PPE required
- 5 Minute broad pathogen kill claims including Norovirus
- Low level of actives
- Low odor
- Cleans and disinfects surfaces streak-free at lower alkaline pH
- No potable water rinse required on disinfected surfaces
- Leaves no harsh chemical residues
- Helps reduce risk of cross contamination

« NUGEN® NR Wipes are ideal choice for control of Norovirus and thirteen other pathogens due to disinfection in food service, schools, long term care and day care centers. These cost-effective quat-containing disinfectant wipes leave no harsh chemical residues and hence surfaces do not require a potable water post rinse. »
